Dear Mr Coppinger,

**Extending the timeframe for deciding your application under the
Government Information (Public Access) Act 2009 (GIPA Act)**

On 3 February 2024, we received your application under the GIPA Act for access to information held by Transport for NSW (TfNSW).

The GIPA Act typically provides 20 working days in which to decide an access application and as such the original expected due date of your application was 3 March 2025.

However, as an advance deposit was imposed in processing this matter, the clock was stopped in anticipation of payment. Payment of your advance deposit was confirmed on 3 March 2025, bringing the new decision date to 14 March 2025.

In processing your application we have now identified that we are required to consult third parties.

As permitted by the GIPA Act, we have extended the timeframe for deciding your application by 10 working days. Consequently, your application will now be decided by **28 March 2025**.

Yours sincerely,

Natacha Doust
