FINAL 2024 TOTALS:	Fatal crashes 298	Fatalities 327
--------------------	-------------------	----------------

Preliminary Data - Note: Fatalities will be removed from statistics if subsequent Police or Coronial investigation shows that they did not fall within National reporting guidelines. Fatalities will be added from a crash occurring prior to today's date where a person subsequently dies within 30 days or the crash is reported late. Typically, these variations may result in a statewide annual decrease of up to 12 fatalities from the initial preliminary figure. Fatalities are deaths which occurred within 30 days of a crash as a result of injuries received in the crash. The crash must have occurred within the surveyed road reserve.
